#### What Others Are Saying....

*Plainfield, IN*

—We have a morning prayer service three days a week. There are several residents that attend in wheelchairs and on walkers. We all look forward to this time together where we can pray for each other, for our nation, our military, leaders of our country, and of course Elder Source and all of our ministries and missionaries.

*Springdale, OH*

—Before our weekly prayer service, my residents come at least one half hour early to listen and sing along with your music.

*Bellaire, MI*

—Our prayer group meets weekly. The staff add to the prayer requests often.

*Overland Park, KS*

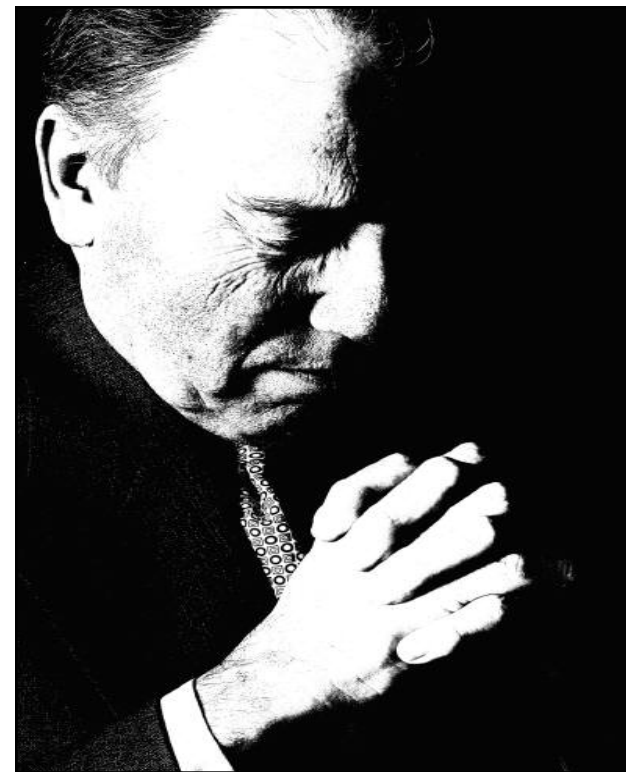

—Our Harvest Prayer Group is quick to offer prayer request. They are often for their family, other residents, and our military.

### **What Is A Harvest Prayer Chapter?**

A chapter is one part of a whole, a group, or a collection. A Harvest Prayer Chapter is a group of seniors who gather regularly for prayer and fellowship. They are a select group of ESSM and the whole family of God, uniting in prayer for one purpose: To have their prayers answered.

*For the eyes of the Lord are on the  
righteous and his ears are attentive to  
their prayer.... 1 Peter 3:12*

### **Who Began the Harvest Prayer Chapters?**

The Harvest Prayer Chapters grew out of the ESSM program, MANNA, which distributes free Christian-based materials to seniors care centers around the country.

Based on an appeal at the end of a DVD entitled, The Harvest, (included in the free resources) ESSM seized the opportunity to organize seniors in care centers to support the work of ESSM through prayer.

### **Why Seniors?**

ESSM is a ministry to seniors. Therefore, the Harvest Prayer Chapters are an extension of the ministry of ESSM and serve as a vehicle of opportunity to impact our world for eternity.

Additionally, seniors often have more time to devote to prayer, and their prayers are uniquely focused as a result of their wisdom, age, and life experiences.

### **How Do We Begin a ESSM Harvest Prayer Chapter?**

To get started is simple. Call or write to us for our brief enrollment form and we will get you on your way as an enrolled Harvest Prayer Chapter. There are no costs or dues. You will receive our quarterly Harvest Prayer Report filled with helpful information including news from other chapters. You are also entitled to receive our free Harvest Prayer Journal—one free to each new chapter.

### **An ESSM Harvest Prayer Chapter Offers:**

#### **Opportunities For Fellowship**

Many of Chapters gather weekly for a time of coffee and fellowship prior to the scheduled time of prayer. Often this fellowship incorporates some of our beloved hymns on CD.

#### **Opportunities For Service**

Countless seniors are praying weekly for ESSM, for the community staff, residents, and family members, and for our military and nation's leaders.

Some Chapters are going an extra step and putting wings to their prayers through encouraging cards and notes to those for whom they have been praying.
